BAR & KITCHEN

Our unique, destination boutique venue overlooks 100 acres of manicured parkland, set within the High Weald area of outstanding natural beauty in Mid Sussex. The perfect setting for your special day.

The view from our 180 degree terrace and indoor space offers some of the best views in Sussex, with the Ouse Valley viaduct to the right and Wakehurst Place to the left.

We are conveniently situated a few minutes off the M23, close to Gatwick Airport, London and nearby rail links making us a great choice for your guests to easily find their way to you.

180 Degrees offers an informal and exquisite setting for your special celebrations.

Let us take the stress out of planning your happy-ever-after

However grand, however intimate, 180 Degrees is the place to celebrate tying the knot. From your first visit, the relaxed vibe is what we're all about...we will find a way to make your dreams come true, each special detail thought through from start to finish with as much or as little input from you to help the day go with a swing.

For smaller parties of up to 30 guests you have the privacy of our first storey dining room, a light and airy loft style space with a floor to ceiling window to the rolling Sussex countryside. For larger parties choose from our Spring or View rooms which can seat up to 40 guests each.

We can comfortably seat up to 120 on the ground floor, a beautiful open plan contemporary space. Exclusive use of our venue ensures you and your guests feel completely spoilt and looked after by our friendly and professional team, ensuring all you have to do is relax and enjoy!

180 Degrees is named due to its breath-taking panoramic views – bi-fold doors open up to our expansive terrace providing the perfect backdrop for photos, champagne and dancing into the night under the stars.

Enjoy every moment of your special day at 180 Degrees

Let us take care of all the details. Our beautiful "Getting Ready Room" is available all day for you and your wedding party to put the finishing touches to hair and make up, whilst also being a comfortable, quieter space for elderly or younger guests to take a moment. We can take care of flowers, decorations, cake, music....everything to give you the day of your dreams.

Eating at 180 Degrees...

Our Head Chef and his team have created an outstanding menu for your entire day – from mouth-watering canapes to a gourmet three course meal, a luxury BBQ, afternoon tea, evening grazing boards, pizzas or street food. No request is too unusual – nothing is impossible at 180 Degrees. We love a challenge!

For your ceremony, choose from a number of beautiful, historic churches and stunning, unique venues.... We can arrange transport for you and your guests to 180 Degrees – whether that's a bright red London bus or a helicopter we can get you there in style.
