The black tees are the most challenging, the blue tees are the least challenging and the salmon tees are in-between. The course map below shows which tee boxes should be used depending on the course that you choose to play, the signs on the tee boxes have plaques of the appropriate colour to help you navigate the course. Each course has been rated for play by both Men and Ladies, so if you have

a handicap your score today can be submitted to your handicap record on the WHS.
